### BY CAR:

From the junction of the A5, the A508 and the A422 just north of Old Stratford, follow the Towcester Road south through Old Stratford. After Old Stratford, turn right into Stony Stratford High Street. Follow the High Street for three hundred yards or so before the road bends sharply right into Silver Street (the High Street becomes single lane priority access at this point).

After 200 yards or so on the left hand side there is an opening signposted as Coffridge Close. Turn in through this opening and follow the road straight up through the car parking area to the top (past Budgens Supermarket on your left) and turn right into the Swinfen's Yard private car park. Daeja's parking spaces are those on the left hand side of the car park. To the left of the shopping arcade is a raised office door entry, from which visitors need to press the buzzer for the relevant office (Daeja occupies units 18 and 19).

### BY TRAIN:

From London: Silverlink Train Services Ltd service from London Euston, direct to Milton Keynes. Journey time approximately 45 minutes. Milton Keynes railway station is approximately a fifteen minute taxi ride from Stony Stratford.
